ASSOCIATE RECEIPT

I have received my personal copy of the MBCI Attendance Policy and my transition "hours to points" sheet. I understand that it is my responsibility to become familiar with the contents of this material and to ask for clarification on any policy.

I understand that neither this document, nor any other Company document, constitutes a contract or agreement of any kind. This handbook does not constitute a contract of employment, should not be construed as one and employment at MBCI is "at will." From time to time, employees may be informed orally or in writing of changes in Company rules, including additions and deletions. I acknowledge that I have received a copy of MasterBrand Cabinets, Inc.'s employee handbook. The employee handbook contains comprehensive information about terms and conditions of my employment with MBCI. In particular, the employee handbook contains two sections entitled Standards of Business Conduct and Employment Policies and Procedures that have been brought to my attention. I have been advised to read these sections carefully and bring any questions I have about the content or meaning of the information contained in these sections to the attention of Human Resources. By signing this acknowledgement and receipt, I am hereby certifying that I have carefully read and understand the information contained in these tabs and that all questions or issues I may have had about this information have been answered to my satisfaction. I further acknowledge that if I have any questions or concerns in the future regarding these sections, I should raise these issues with Human Resources.

VACATION

Following is the vacation policy for SCC- AUBURN:

Eligibility:**1. Base Year**

The vacation base year is the twelve- (12) month period from January 1st through December 31st.

2. Vacation Time

Associates must work 6 months in order to be eligible for vacation and will receive vacation time off with pay as set below:

<u>Employment</u>	<u>Vacation Time</u>
6 months -----1 year	5 days
1 year-----10 years	10 days
10 years and above	15 days

Vacation Pay:

- A. The vacation rate of pay will be an associate's normal base rate.
- B. Associates will need to ensure that vacation taken is indicated in their time records. Payment for vacation will be included in the next regular paycheck upon returning from vacation.
- C. Associates with more than two (2) weeks of vacation may decide to use only two weeks. Unused vacation will be paid out the following January. For example, an associate with three (3) weeks of vacation uses one (1) week for a trip, one (1) week for a holiday shutdown in December, and decides not to use the other week. In this case, the third week would be paid out at the beginning of the next vacation base year.

Scheduling:

A break from the usual day-to-day routine is beneficial for all associates. Vacation must be used for scheduled plant shutdowns. Vacation days may also be used for periodic shutdowns due to business needs, such as one-day shutdowns due to material availability or lack of customer orders. Vacations taken other than at these times should be scheduled as far in advance as possible. If scheduled by February 28th, the associate with the most continuous service (plant seniority) will be given preference for the time off. If scheduled after this date, it will be a first-come, first-served basis, based upon business need and individual consideration. Each team leader will determine the maximum number of associates who may be on vacation from the department during the same week. Vacation may be taken in increments of half or full days.

Policies and Definitions:

- A. For purposes of vacation, "continuous employment" is defined as employment with SCC uninterrupted by absence due to discharge (unless reinstated within thirty (30) days), voluntary severance of employment, or retirement.
- B. Associates leaving employment will receive any unused vacation.
